

August 11, 2025

Dear patient,

Manchester Specialty Services would like to thank you for the trust you have placed in our team. Your health and wellness are top priorities for us, and it is an honor for our entire group to be involved in your care.

We are writing to inform you that Manchester Specialty Services, including physical therapy and lab services, will be closing, effective Oct. 31, 2025. Our care team will continue to be available to care for you until then.

We are committed to seamlessly transitioning your care. If you have an upcoming appointment with our office after Oct. 31, you will need to obtain a new referral and evaluation at another location. We encourage you to discuss your anticipated therapy needs with your therapist to support you in this decision. We have several options for a new therapy provider at one of the locations listed below:

Bridgton Physical Therapy - (207) 647-6145
Central Maine Therapy Services, Auburn - (207) 753-3456
Central Maine Therapy Services, Lewiston - (207) 795-2122
Naples Physical Therapy - (207) 693-4202
Rumford Physical Therapy - (207) 369-1099
Turner Physical Therapy - (207) 225-2610

Your medical records will continue to be available to you. To request your records, you will need to fill out an authorization form which is available on our website or by calling (207) 795-2480.

We understand this is difficult news, and our care team remains available to support you through this transition. If you have specific questions about your care, please call us at (207) 248-0500.

Thank you again for allowing us to be a part of your care team. It has been an honor to serve the Manchester community.

Sincerely,

A handwritten signature in black ink that reads "Hillary Littlefield".

Hillary Littlefield, OTD, OTR/L
System Director - Therapy Services
